PLAINFIELD D. A. R. CHAPTER. Pledges \$100 Toward Windham Hall at Woman's College.

The D. A. R. chapter of the town of Plainfield has pledged \$100 toward the \$5000 fund for the erection of Windham hall at the Connecticut College for Women.

WAR LOAN SUBSCRIPTIONS. To Be Received By the Windham County National Bank.

It was announced here Saturday that people in this vicinity are to be given an opportunity by the Windham County National Bank to participate in the much-talked-of Anglo-French war loan.

There was also evidence following the announcement that local investors are going to take advantage of the opportunity, not only for the net income of 5 to 12 per cent, but the investment will bring, but as well for the novelty of holding such a security which is to take precedence over all other outstanding obligations of the British and French governments. Immediately following the bank's announcement inquiries began to come in as to where subscriptions would be received. It was stated at the bank that subscriptions down to \$100 are to be received.

Polling Hours Tuesday. The polls open at the town hall this morning at 8 o'clock and will not be closed until 3 p. m. giving the voters seven hours in which to cast their ballots. A heavy vote is anticipated.

As a windup to the campaign, voters throughout the town received on Saturday literature both for and against license. Diurnal Saturday was a good day upon which to read it.

George Artel's Son Located. It is stated here that a son of George Artel, who was killed by a trolley car on the line between Danielson and Wauregan one Saturday night last June, has been located in Canada. At the time of Mr. Artel's death none of his relatives could be located.

SIX WINS EACH. License and No-License Forces Have Broken Even During Dozen Years' Vote.

That the voters of Killingly are subject to varying moods in dealing with the license issue, always a live one in Killingly, is demonstrated by the way they have disposed of it annually for the past score of years. Going back to 1895 and following the results each year since that time one finds that the town has twelve times voted in favor of license and 8 times against it, and never with a majority either way, excepting once, in excess of ten per cent, of the total voting strength of the town. The longest unbroken period of license during that time was seven years—1897-1903 inclusive, the longest period of no-license without a break has been two years.

The vote on the question for the past twenty years has been as follows: the figures showing the majority for or against:

Year	Yes	No
1895	...	38
1896	...	39
1897	122	...
1898	77	...
1899	60	...
1900	116	...
1901
1902	26	...
1903	25	...
1904	...	73
1905
1906	...	40
1907	...	16
1908	40	...
1909
1910	...	3
1911	14	...
1912	160	...
1913	72	...
1914	72	29

During the past dozen years the license and no-license forces have broken even, six wins each. Many an evening the license forces have won and the no-license forces have lost, but the outcome always in doubt until after the ballots are counted.

PUTNAM

Polls to Open at 8:30 This Morning—Rain Saturday: No Game—Order for Machinery for New Trade School—County Sunday School Institute to Be Held Thursday.

George Clifford was operated on at the Day Kimball hospital for appendicitis, the operation being entirely successful.

Rev. C. V. Ryder, D. D., and Rev. Philip M. Rose, pastor of the Italian church at New Haven, are to be speakers Wednesday at the semi-annual meeting of the Woman's Home Missionary union at Willimantic, a number from here attending.

Judge L. H. Fuller will be moderator at the annual town meeting today.

Donald Johnson was leader of the Y. P. S. C. E. meeting at the Congregational church Sunday evening.

A number of men employed here, but claiming legal residence in Killingly, will be in Danielson to vote today.

Mrs. Ernest Pike of East Woodstock is to speak at a missionary meeting at the home of Mrs. E. C. Murfey Tuesday afternoon.

Polls to Open Early. The polls are to be opened in the municipal building this morning for the reception of ballots at 8:30 o'clock.

The highway committee of the common council has readjusted the bids for laying concrete curbing in a number of streets in the city.

No Game: Rain. The rain of Saturday afternoon forced a calling off of the baseball game scheduled between the South Manchester and Putnam teams.

More than a score of automobiles are expected to be in service today for the accommodation of voters getting to the polls.

Going to Worcester Music Festival. Friday evening a party of 18 members of the choir of the Congregational church will visit Worcester for the purpose of attending the musical festival, artists' night, as has been the custom for several years. Dinner is to be served at the hotel.

Officers of P. H. S. Association. The Putnam High School association has elected the following officers: President, Leonard Maynard; vice president, William Rafferty; secretary, Miss Maude Carpenter; treasurer, E. D. Packard. The association will be active in promoting the athletic interests of the school during the present school year.

Pastor Acknowledges Kindness of His People. In acknowledging the honor done him in the observance of his silver anniversary as pastor of the Congregational church, Rev. F. D. Sargent says in the church calendar of Sunday: "Words seem altogether inadequate to express the appreciation of the pastor and his family for the many kind expressions of the people. It was as were the addresses of our friends from outside, yet no words seemed so pertinent and none will have so halting a memory as the hearty good speed from those with whom we have been associated these many years. That God may give us grace and ability to prove worthy of the kindly wishes is the prayer of those who have been the recipients of your love and affection."

In the balloting in Putnam today the interest will center in some special contests for places in the list of town officials. One lively contest will be for places on the town school committee, and there is special interest in what the result will be of the effort to elect Mrs. Elvira Barber to that board. She will have the support of a large number of newly settled voters, and the sex and race of the voters will be a factor. The democrats are also active this year and will try hard to win some extra places.

TRADE SCHOOL INTERESTS. Chester E. Child inspects Worcester School—Supervisor Trinder Places Machinery Order.

Chester E. Child, member of the special town committee named last week at a special town meeting in connection with the building of a trade school in this city, has been in Worcester and visited the trade school there.

Mr. Child was given every opportunity to inspect the finely equipped school and observed many details that undoubtedly prove valuable to the local committee when consideration is given to plans for the Putnam school.

The Worcester school has a shop, tool making department, pattern making, cabinet making, electrical, painting, carpentry departments, a blue print room, assembly hall, class rooms and a power plant. It also is equipped with a hospital room where first aid treatment may be rendered.

The student body of the school is expected to alternate between an academic and trade school course, a week at a time, in pursuing each branch of study.

As yet no meeting of the Putnam trade school committee has been held, as it is desired that F. J. Trinder, supervisor of trade schools in Connecticut, be heard from before any action is taken.

When plans for the trade school will be sufficiently advanced to begin work is uncertain, but it may be stated that Mr. Trinder was in Boston last week and placed orders for several thousand dollars worth of machinery for the school, this machinery to be delivered by Jan. 1 next.

SUNDAY SCHOOL CONVENTION. County Meeting to Be Held Thursday. Following is the programme for the Windham County Sunday School association annual convention to be held here Thursday:

EVEN CROSS, SICK CHILDREN LOSE SYRUP OF FIGS

IF FEVERISH, BILIOUS, CONSTIPATED, GIVE FRUIT LAXATIVE AT ONCE

Don't scold your fretful, peevish child. See if tongue is coated, this is a sure sign its little stomach, liver and bowels are clogged with sour waste.

When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomach-ache, indigestion, diarrhoea, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul waste, the sour bile and fermenting food passes out of the bowels and you have a well and playful child again.

Children love this harmless "fruit laxative," and mothers can rest easy after giving it, because it never fails to make their little "tummies" clean and sweet.

Keep it handy, Mother! A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has directions for babies, children of all ages and for grown-ups plainly on the bottle. Remember there are counterfeiters sold here, so surely look and see that yours is made by the "California Syrup Company." Hand back with contempt any other fig syrup.

tion has elected the following officers: President, Leonard Maynard; vice president, William Rafferty; secretary, Miss Maude Carpenter; treasurer, E. D. Packard. The association will be active in promoting the athletic interests of the school during the present school year.
